

COMMUNITY SUPPORTED AGRICULTURE (CSA) is when people in a community commit to support a farm by becoming CSA members. The farm provides their CSA members a choice selection, or "share", of the farm's produce. The share gives the customer preferred access to farm products throughout the year and gives the farmer critical cash—seed or planting money—early in the year. It's a great way to become a farm partner, help the farm's cash flow, and make real your commitment to local food and community.

BACON BUCKS

BACK FOR 2014

Moon In The Pond's CSA is a major innovation--it's ultimately flexible, ultimately diverse, has ultimate quality produce, great locations, and runs *year 'round!* Most CSAs fill a weekly box with vegetables (some you may *not* want, need, or use). We allow you to shop for what *you* want, *when* you want. BACON BUCKS guarantee you the best of MITP throughout the year. You'll also get our e-newsletter with farm news, seasonal specialties, and *members only* deals. As a MITP CSA member, you're welcome at the farm anytime!

Simple: We print our currency coupons called BACON BUCKS. Take a CSA share at Moon In The Pond—we send you BACON BUCKS! (var. levels below). Don't be confused—you can buy veggies, other products, or a farm tour too! Spend BACON BUCKS at the farm or at local farmers' markets, on what you want from us, *throughout the year*. No deadlines or expiration. BUCKS left at the end of the year?—Use them to re-subscribe!

Come down to the farm in the spring to visit the baby animals (and new apprentices!)—pick up your first haul of greens, eggs, or spring vegetables. In the summer and fall visit the farm OR pick up goodies at any of our farmers markets—enjoy the markets, see our amazing array of heirloom vegetables and heritage breed, grass-fed meats. Even in the winter, back on the farm we have available our meats and winter vegetable (onions, carrots, winter squash, celeriac, etc., etc.)—a Full Diet, Full Pantry, Full Year CSA!

It's our mission. Our farm is dedicated to education. Training new farmers in our full-year apprenticeship program, hosting seasonal interns, conducting workshops, and advocating for healthy sustainable food production are what we're all about. Every dollar you spend supports our mission. 100% of all proceeds of Moon in the Pond sales supports our educational mission.

I would like to be a: _____ Harvester (\$1500) _____ Planter (\$1000) _____ Tiller (\$500)
